The executive committee wishes to express gratitude to all who assist in making our Provincial Festival happen. Teachers, parents, and accompanists all work together to ensure our young musicians perform to the best of their abilities and have a positive experience.

Thank you, as well, to our generous donors who contribute to provide the awards. We are most grateful to our major sponsor, the Kiwanis Club of Charlottetown. Their interest in and commitment to this organisation is valued and very much appreciated.

Thank you to ALL supporters and volunteers who make our festival the success i

## **Welcome, all, to our joyful return of a live Provincial Festival!**

What a huge pleasure for us to listen to our talented young people as they share their music during these provincial finals. Congratulations to the performers for this achievement in their musical growth and commitment to their craft. Our sincere thank you to the individuals who have provided the quality teaching they have received to take the students to this point and also to the parents who have supported them and made the lesson possible.

We are thankful to have first class adjudicators in our midst who will critique each performance and provide guidance tips for further development. To our sponsor, the Kiwanis Club of Charlottetown and the many donors, we are truly grateful; you make our festivals a reality.

Festivals across our province, both local and provincial, would not be possible without the support of volunteers on our committees and during the actual festivals. A bouquet of thanks to each of you! We extend our appreciation and thanks to Claire Arthur, our Provincial Administrator, for organizing the provincial festival and for the huge amount of work she has been doing throughout the year to move our festival organization technically forward.

May the music you experience this weekend warm your heart and enrich your very soul!

### Greetings from the FCFM Board Chair

Congratulations to all the participants of the PEI Provincial Music Festival! Your hard work and commitment to excellence have paid off and you have earned the privilege of representing your local festival.

On behalf of the FCFM Board, I send greetings and best wishes in the competition. We look forward to having many of you participate in the 2023 FCFM National Music Festival this summer. We are pleased to offer five streams of programming - junior-level classes in the Non-Competitive Education Stream, intermediate-level competition in the Developing Artist Stream, and the Emerging Artist Stream which is our traditional advanced-level competition in voice, piano, strings, classical guitar, woodwinds, brass, percussion, and musical theatre. The Composition Stream provides non-competitive composition classes at the junior, intermediate, and advanced levels. Choirs, bands, and orchestra classes return in the Recorded Stream!

Thank you to all the local music festival organizers and volunteers! You successfully met the challenge of offering a festival experience, virtually where necessary. Your vision and passion to provide this valuable opportunity to the youth in your community are commendable.

Thank you to all the donors and sponsors that enable this vital cultural experience available in communities across Canada.

Best wishes,

*Judy Urbonas*

## Introducing our Adjudicators for 2023

### Dr. Marnie Van Weelden

Principal adjudicator for Piano, Organ, and String Classes

Dr. Marnie Van Weelden enjoys a versatile career as a pianist, dedicated teacher, and church musician in the Kitchener-Waterloo area. After earning her Bachelor's Degree from Western University she completed both her Master's and Doctor of Musical Arts degrees in piano performance and pedagogy on full scholarship at the University of Michigan in Ann Arbor.

Since 2007 she has been teaching piano at Wilfrid Laurier University in Waterloo, Ontario. She is an active performer in her musical community playing as a solo and collaborative pianist and in her duo, *Blondes on 88*, with pianist Rebekah Jordan-Miller. She has performed in the Laurier Noon Concert series and various other faculty concerts, KW Symphony Love of Music Marathon, Open Ears Festival of new music, and with the SOSI Faculty Orchestra. She is an RCM examiner and is in demand as a festival adjudicator and clinician.

Her workshop, entitled *Music in Motion*, helps to equip pianists with dynamic choreography and increased body awareness that can help with injury prevention. In addition to her university teaching she enjoys working with children and teens in her private studio and is currently serving as the Vice-President of KW-ORMTA, an organization that provides musical engagement in the community.

# Dr. Shannon Coates

Singer | Educator | Maximizer

Pilfering the Ivory Tower on behalf of Independent Voice Teachers since 2010

Principal adjudicator for Vocal and Musical Theatre Classes

Shannon Coates is a singer, voice teacher, and voice educator who holds three vocal performance degrees from the University of Toronto, culminating in a Doctorate of Musical Arts specializing in Voice Pedagogy.

Following nearly two decades of owning and operating a successful independent voice studio in dual urban and suburban demographics (where she taught all the singers you find in every voice studio; from the six-year old who practices more than the rest of the studio combined, to the chorister who has been singing *The Messiah* from memory since before you were born, to the teenager who is finding new purpose in life through

music, to the singer-songwriter whose poetry makes you weep, to the pro and pro-track performers who want a technique refresh), Dr C shifted her focus to working exclusively with voice teachers and to developing training and educational resources specifically for independent teachers.

In addition to her mentoring role, she regularly contributes to the larger voice teaching community through service to voice associations (most recently as a member of the Nominating Committee for the National Association of Singing's ("NATS") Journal of Singing's Editor-in-Chief), presentations at international conferences (most recently presenting, "Classroom Strategies for Independent Voice Studios" with fellow Canadians, Gabriela Farias and Sara Campbell at the NATS 2022 National Conference in Chicago), writing for professional journals (most recently, "Neurodiversity in the Voice Studio, Clinic, and Performance Space: Using a Neurodiversity Affirming Lens to Build More Inclusive Spaces for Singers" in the Nov/Dec 2022 Journal of Singing, and by speaking to associations and teacher groups throughout the world (most recently, as a KeyNote Speaker for the Australian NATS National Conference in September 2022).

Dr C enjoys a significant social media presence, which she uses to curate and distribute information related to voice pedagogy, and to promote and discuss the subjects she is especially passionate about: making teaching best-practices explicit and applicable in the independent voice studio and creating inclusive voice studios. The VoicePed UnDegree; an online training course designed specifically for independent voice teachers to be able to complete from the comfort of their own homes/studios/offices (I'm not judging) while not having to stop teaching in order to get better at, well, teaching, launched in September 2022 with a cohort of teachers representing six time zones. More information can be found at: [www.drshannoncoates.com](http://www.drshannoncoates.com).

## Dr. James Kalyn

Principal adjudicator for Instrumental Classes

**James Kalyn** is a diverse and highly experienced musician.

He is a soloist, orchestral and chamber musician on both clarinet and saxophone, a conductor of orchestra, band, and jazz ensemble, and an arranger and composer. He also performs on flute and bassoon.

An Associate Professor at Mount Allison University in New Brunswick, Canada ([www.mta.ca](http://www.mta.ca)), Kalyn can be heard performing regularly in the region as clarinetist with the highly successful woodwind quintet Ventus Machina ([www.ventusmachina.com](http://www.ventusmachina.com)), and in recitals.

In recent years he has become very active as an arranger and composer of music, bringing a lifetime of experience to the craft. Samples of his playing and arranging are found on his website, [www.jameskalyn.ca](http://www.jameskalyn.ca). James Kalyn is also a conductor of band, orchestra, and jazz ensemble.

His love of the mechanical has also led him to train as an instrument repairman.

Kalyn has been a clarinetist with numerous professional orchestras. As a concert saxophonist he has performed throughout the United States and Canada, as well as in Argentina, China, and Japan. He has played and toured extensively with The Cleveland Orchestra and is heard on solo, ensemble, and chamber music recordings. His solo recordings include *6 Standard Saxophone Sonatas*, *Brilliance* and *Glazunov Concerto*. Chamber music recordings include Ventus Machina's *In the Weeds* (2017), *Roots* (2021), and *Marcher à l'infini* (2022).

Kalyn trained at the Eastman School of Music (Doctor of Musical Arts), Michigan State University (BMus in woodwind performance) and Western University (BMus performance).

## Acknowledgments and Thanks

After three years without a live festival, the PEI Kiwanis Music Festival Association would like to express great appreciation to our venues for hosting us this year.

Thank you to Park Royal and Spring Park United Churches for their cooperation as we enjoy their beautiful sanctuaries over these two days.

Thanks also goes to UPEI for the use of their new Performing Arts space while our usual venue, Steel Recital Hall, undergoes renovations. Thank you to UPEI Faculty members Dale Sorensen and Magdalena Von Eccher who worked with us to make this possible; to the UPEI Music Department for sponsoring our use of the two magnificent pianos in this new space; and to Linkletter Engineering for donating the funds to cover the cost of this venue.

We are thankful also for the generosity of our volunteers - in giving us their time to help the festival run smoothly - and our donors, without whom we would have no awards to present to these talented young musicians.

Our appreciation extends particularly to the Kiwanis Club of Charlottetown. They are our major sponsors, and also assist us with some volunteer duties each year. Without their generous support, we would not be able to provide the opportunity for our young musicians to participate in a provincial competition.
